AirSHIM Inflatable Pry Bar & Leveling Tool

Lift, shift, align, level & plumb. Contractor Grade inflatable air wedge used for cabinets, doors, appliances, beams, equipment, furniture, HVAC, plumbing, joists, countertops, mantels, bathroom fixtures, windows and more. Replace your pry bars, wooden shims and other lifting or adjusting tools. Helps a single user do the work of two people, saving time and labor costs.

- **Rounded Corner and Internal Stiffener** gets into tight 3/32" gaps and won't fold under pressure; durable, no-scuff cover leaves no marks
- **Easy, One-Handed Operation** lets you raise and lower to perfect alignments using simple squeeze pump and precise bleeder valve
- **Wide Gap Spanning Capacity** gives you greater lifting or pushing range and more versatility on the job or around the house

You can even use it to pry objects apart (like fragile baseboards and trim from a wall) without damage. For some challenging jobs, like leveling windows, doors or heavy appliances, using more than one AirShim is recommended.

#1192 AirSHIM - 300 lb Load Rating, Pack of 2

- **300 lb Load Rating**
- **Wide 2-1/2" Gap Spanning Capacity**

Size: Bag is 6" x 6-1/2" on sides; approximately 3/32" high when deflated, 2-1/2" when fully inflated

Code	Description	List/st
1192	Set of 2 AirShims, 300 lb	\$ 64.83

1192 - AirShim Set of Two

#1194 AirSHIM Pro XL - 500 lb Load Rating, Single unit

- **500 lb Load Rating**
- 5-1/4" x 10-3/4" lifting surface limits folding, especially around narrow-edge loads
- **Wide 3" Gap Spanning Capacity**

Size: Bag is 5-1/4" x 10-3/4" on sides; approximately 3/32" high when deflated, 3" when fully inflated
