

FESTOOL Domino Connector Set SV-SYS

Domino fasteners work with the Domino XL (DF 700) Joiner to create flat or corner joints. Corner and flat connectors provide simple and quick connections without the need for templates or complex measuring.

- For frame and board joints; corners and flats
- Extremely quick. No template or other accessories required
- 30mm material thickness or higher
- Extremely stable, high pull-out and load forces
- Can be detached again quickly
- With cover caps in three colors
