

Drop Out Cabinet Fixtures

8001 - Spice Rack Storage System

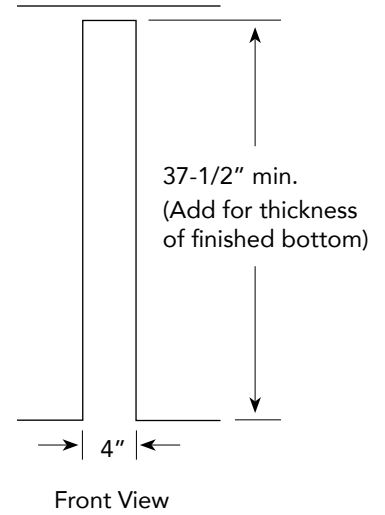

The Dropout® Spice Rack/Storage System frees up traditional spice storage spaces, such as drawers and shelves, for other kitchen essentials.

- Four inches wide, it opens with a smooth outward and downward motion, bringing the spice rack down to you.
- Brings up to 36 standard-sized spice bottles to your fingertips, all perfectly organized and ready for use—no fuss, and no mess.
- Can be integrated into any style of cabinetry, making it versatile for most any design. It can also be used for other storage needs.

Min. Depth: 11-1/2"

Unparalleled convenience and space-saving efficiency at your fingertips!

8012 - Waste System and 8014 - Countertop Waste System

Waste System specs

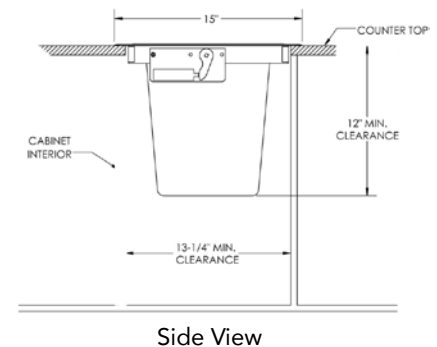

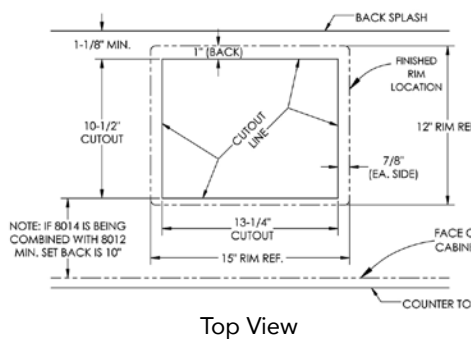

- Min Cab Opening:  
Width: 13-1/2"  
Height: 19-1/2"  
Depth: 12"
- Waste Basket System includes:  
(1) Door Mount Frame  
(1) 24 Qt. Waste Basket  
(2) 35mm Soft Close hinges  
All required wood screws
- Requires Top face frame rail with 3/4" min. lip.

The Dropout Waste System goes next to the sink, eliminating conflict if you need to access both. Placed high in the base cabinet, the wastebasket is easy to open and allows for a quick sweep so that any waste on the countertop lands directly in the trash system.
